## What is Relay For Life?

With some 4,000 visitors in 2009, Relay For Life Sutherland Shire is one of the biggest social events of its kind in NSW. Brace yourself! It's almost an overload on the senses. Big stage, excellent live music, celebrities, great food, super rides and games for the kids – so much to do and yet these are just the side-shows, because Relay For Life is a festival of movement, a chance to get outdoors and just walk or run a bit (or a lot).

Some make a team with friends, some do it with family and others with work mates as a fabulous team-building exercise (for example, over 100 local NAB staff attended the 2009 edition). A few do it to really challenge themselves, seeing how far they can walk or run over the whole 24 hours. While many camp out for the entirety, some visit Relay for just a few hours, but no one leaves without being affected, because Relay is chock-full of emotion and pure inspiration. In its 8 years to date, this amazing experience has raised in excess of \$1.7 million toward the fight against cancer. Thank you, Sutherland Shire.

On Saturday 1st May, experience Relay for yourself. Visit our new home at [www.shirerelay.com](http://www.shirerelay.com) to learn more, enter a team NOW and help to *Fight Back!*
